Section 2: Purpose

The purpose of the South Lanier Bassmasters is to improve the bass angling skills of its members through the exchange of techniques and ideas, to foster sportsmanship, to contribute to the conservation of natural resources, and to embrace the principles of BASS. The South Lanier Bassmasters are and will continue to be a member of the Georgia BASS NATION Federation.

ARTICLE II – MEMBERSHIP

Section 1: Number of Members

The club shall begin with and maintain at least six members. The Club shall cap its membership at a maximum of 30 members. If the membership cap has been reached, potential members may sign up on a waiting list for available membership slots. Active members are defined as members who are current in club dues.

Couples, that being a husband and wife, or person and significant other, including domestic partner, spouse, legally related child between 16 and 18 years of age, or an elder relative 70 years old, or older, will be allowed to seek membership as a “Couple” under the following conditions:

- a. Couple must have a sponsor who is an existing member in good standing to vouch for the couple.
- b. When seeking membership as a couple, the individuals have to fish “together” 3 club tournaments and attend together 2 club meetings. Upon completion of their club tournaments and meetings, and all other membership requirements, the Club shall vote on their membership “as a couple” and the couple must achieve an unanimous vote for them to obtain membership.
- c. When the Couple both fish a club event they will be paired together. They will declare which member is the boater and who is the co-angler. When only one of them fishes a club event, they will declare themselves as a boater or co-angler and will be included in the normal random pairings.
- d. Each member of a couple will accumulate points on an individual basis and will be eligible for any of the year-end awards. When voting on Club business each member of the Couple will be entitled to one (1) vote.

For clarification purposes, “couples” do not include a buddy, sibling, or friend. Members can request to fish with a guest if the draw permits and the member is not needed to pair up with another member. The Tournament Director will have the absolute authority to approve or deny this request.

Section 2: Requirements for Membership

Members must be in good standing with BASS.

Potential members, not seeking membership as a Couple, shall fish three club tournaments. At least two tournaments shall be fished as a non-boater. If possible, the third tournament shall be fished as a boater with a member non-boater. Two regular club meetings must be attended. The club then shall vote on the membership after at least two reports from current members.

Upon a motion to accept a prospective member into the club, a unanimous vote of the members present in favor of the prospective member is required.

Section 3: Membership Dues

Upon approval of a member for membership there is a one-time initiation fee of Twenty-Five Dollars (\$25.00). At the beginning of each Year, or when a new member is voted in, every member pays the Club one-time dues of Sixty Dollars (\$60.00), unless that member has paid these dues through another club. Thirty Dollars (\$30.00) of this Sixty Dollars (\$60.00) goes to National BASS NATION Federation, and the other Thirty Dollars (\$30.00) goes to the Georgia BASS NATION Federation. The Club's monthly dues are Twenty-five Dollars (\$25.00) per month payable by or before each monthly meeting and not later than the start of that month's tournament in order to be eligible to fish in that month's tournament. Members are encouraged to pay annually, if at all possible, or in another manner instead of monthly.

ARTICLE III - MEETINGS AND TOURNAMENTS

Section 1: Regular Meetings

The regular meeting of the club for the transaction of ordinary business and tournament drawings shall be on the first Sunday of each month, unless said date falls on a holiday, in which case the meeting will be held on another Sunday, or another arrangement. Any change in the regular meeting date shall be approved by the Board of Directors, and notice given to all members of said change. Our normal meeting time will be 6:00 PM.

Section 2: Special Meetings

The Board of Directors may call a special meeting of the club at any time with notice being given to all members at least two days prior to the meeting.

Section 3: Tournaments

- A. There shall be one tournament scheduled per month, unless the Club votes otherwise.
- B. A minimum of eight (8) tournaments per year will be held on local Lake Lanier, unless the Lake Selection Committee presents Lake Allatoona as an alternate local lake to be one of the eight (8). The Club shall have the opportunity to vote on whether Allatoona can be allowed to be one of the eight.
- C. At Least two (2) tournaments per year will be two-day tournaments to be held on Saturday and Sunday.
- D. A maximum of two tournaments per year may be night tournaments, and should be held on Saturday night with the actual weigh-in allowed to be after midnight (Sunday morning). These tournaments should encompass hours of daylight and darkness.
- E. With the exception of the two-day tournaments and any night tournaments, all other tournaments shall be held on Sunday.
- F. The selection of tournament dates, times and lakes shall be made by a tournament committee consisting of the Board of Directors or Club members selected by the President from the general membership. The Tournament Director will always be a member of this committee and shall serve as Chairman. The annual tournament schedule shall be determined prior to the regular December club meeting for the upcoming year and presented to the club membership at the December meeting for approval.
- G. The Board of Directors has the latitude to change dates or locations if safety concerns are present due to hazardous conditions. This change will require a majority vote of the Board. Time must be available to notify all members of the change in dates or locations.

H. Any member may propose an alternate tournament site (lake) to the annual schedule, such motion to be made not less than three months prior to that tournament date and must be approved by a majority of members present for the proposed change to be made.

I. Any member may propose an alternate tournament date to the annual schedule. Such motion to be made not less than three months prior to that tournament date and must be approved by unanimous vote of the members present at such meeting.

J. Drawings for partners for all tournaments shall be conducted at the regular meeting immediately preceding the tournament date unless it is deemed more appropriate and suitable to do so at a special meeting, or from the Tournament Director's home, etc., if he so chooses. The drawings shall be conducted by the Tournament Director.

K. Members electing to be "boaters" will be paired with "non-boaters", insuring those non-boaters who wish to fish will be drawn out with a partner. In the event that more members select to be "boaters" than "non-boaters", the excess "boaters" without partners will have the choice of pairing up with another "boater", or they may elect to fish alone in their own boat and assume all risks associated with fishing by themselves.

L. Members who fish as "non-boaters" should offer to split expenses with their partner. Guidelines for this are to be Thirty (\$30.00) dollars for a 1-day or Fifty (\$50.00) dollars for a 2-day tournament. On away tournaments partners should try to ride together and split vehicle gas expenses.

M. There will be at least three (3) Team Tournaments per Year and they can be all away tournaments, or on Lanier, or any combination thereof. Any cash awards will be split equally amongst the team members, except the Big Fish award. The Big Fish money goes to the member that catches the big fish. Solo boaters fishing in a Team Tournament will automatically receive two (2) lbs. to their total weight caught, however they must catch at least one (1) scorable fish to be eligible for the 2lbs. to be added on.

Section 4: Point Standings Calculation

A. Points shall be calculated according to the following formula.

- 1 point for fishing a tournament
- 2 points for attending a meeting
- 10 points for helping with youth event or conservation project.
- 30 point system for tournament results, i.e. 30 points for 1st, 29 for 2nd, 28 for 3rd, etc. For those that fish the tournament but catch no scoring fish, they will all receive Five (5) less points than the lowest finishing club member that catches a scoring fish. In other words if the lowest finishing member that caught a fish finishes in 10th place and gets 20 points, those that fished, but had no fish, will all receive 15 points.

This Top 6 team will represent South Lanier Bassmasters in the Georgia BASS NATION tournament event. All expenses, including tournament

entry fees, will be split equally by the participants if a team is fielded, unless the Club Membership decides to support and fund a portion, or all, of the team's expenses. Funding for the Awards for Angler of the Year, Big Bass of the Year, Heaviest One-Day Catch of the Year, and Co-Angler of the Year, will be as follows: Each month, four dollars (\$4.00) from all active member dues will be set-aside for these awards. The funds will continue to accrue during the calendar year at the rate of \$4.00 per member, per month. Any member who joins the club during the current year will have the opportunity to pay their \$4.00 fee retroactively to the beginning of the year. If a new member elects not to pay this monthly retroactive fee, or ongoing monthly fee, they will not be eligible to be awarded any of the annual awards. If that member chooses to only fund the future ongoing fee, and not the retroactive amount, they will only be awarded the amount that accumulates during the period of time they contribute to the fund.

These awards will be paid at the first club meeting after our tournament year has ended, or at the club's banquet, or at another time the President so chooses. The members winning the awards will be determined after the last tournament results are finalized from our yearly tournament schedule. The Cash awards will be divided equally among the four categories.
