Tip of the Month: Chris Risley

Live Well Management (Summer months/Water above 77degrees)

- Use Ice to keep water in livewell cool (bags or water bottles), G Juice, and Hydrogen Peroxide (1oz to 5 gallons)
- Mountain Dew can be used to stop a fish from bleeding

TIP OF THE MONTH FOR JULY: Dave Aldrich

**BE ON THE WATER NLT 530am SO WE CAN BLAST
OFF AT 545am**

THERE WILL BE A “3” FISH LIMIT

**OUR NEXT MEETING ON JULY 11 WILL BE AT THE
RIDGE @6pm**

***BE SAFE TRAVELING AND MAKE SURE YOU STAY
HYDRATED. SEE EVERYONE ON THE POND***
